

# LOST CAT

"CARLYLE"

## Details

- Gray and white male cat, but might switch to tuxedo in the winter depending on the weather
- White diamond shape on forehead
- Loves electric guitar music
  - Like if you can set up a 100-watt amp on the street corner and wail on that thing Carlyle might run right up
- Loves Oklahoma City so maybe look there
- Disappeared 2.5 human years ago (10 years to Carlyle, it's complicated quantum mechanics)
- You know how you can like make binocular shapes with your hands? Do that and maybe you can see Carlyle from farther away
